Think Green

NIRUPAMA IMPEX PRIVATE LIMITED (NIPL)

A Vision for a Greener Future

Nirupama Impex Private Limited (NIPL) was born from the visionary ideals of our Founders Team, who have always been committed to protecting nature. Their mission is to create a plastic-free society, ensuring a healthier Planet Earth for future generations.

NIPL is the exporting division of the well-established Zenora Edtech Group, a leading Educational Conglomerate headquartered in Coimbatore, Tamil Nadu, India. With a strong presence across India, we operate Edtech companies dedicated to innovation and learning.

Commitment to Excellence in the International Market

In today's competitive global market, NIPL stands apart with its dedication, quality, and timely execution of orders. We specialize in offering a wide range of Banana Fibre Diversified Products ensuring superior craftsmanship and sustainability at the most competitive pricing.

From the very beginning, our core principle has been to deliver premium quality Banana Fibre Diversified Products with precision and on time. Our expertise extends to creating fashion-forward, eco-friendly alternatives that cater to diverse market needs.

Our Product Offerings for the International Market:

- Banana Fibre Hand Bags
- Banana Fibre Sling Bags
- Banana Fibre Household Items
- Banana Fibre Handicrafts
- Banana Fibre Baskets
- Banana Fibre Dolls

We provide a one stop solution for all Banana Fibre -related queries, ensuring our customers receive the best eco-friendly alternatives without compromising on style or functionality.

Think Green

BANANA FIBRE- NATURE'S ULTIMATE GIFT

Banana Fibre can be used as a Natural absorbent, bio-remediation agent for bacteria in natural water purifier, for mushroom production et cetera. They are also used in making handicrafts, quality paper cards, tea bags, strong thread, high quality fabric material, paper for currency notes and good rope for tying purposes.

Banana Fibre industry is growing at an annual CAGR of 5.8 %.
