Think Green

NIRUPAMA IMPEX PRIVATE LIMITED (NIPL)

A Vision for a Greener Future

Nirupama Impex Private Limited (NIPL) was born from the visionary ideals of our Founders Team, who have always been committed to protecting nature. Their mission is to create a plastic-free society, ensuring a healthier Planet Earth for future generations.

NIPL is the exporting division of the well-established Zenora Edtech Group, a leading Educational Conglomerate headquartered in Coimbatore, Tamil Nadu, India. With a strong presence across India, we operate Edtech companies dedicated to innovation and learning.

Commitment to Excellence in the International Market

In today's competitive global market, NIPL stands apart with its dedication, quality, and timely execution of orders. We specialize in offering a wide range of Jute Diversified Products, ensuring superior craftsmanship and sustainability at the most competitive pricing.

From the very beginning, our core principle has been to deliver premium quality Jute Diversified Products with precision and on time. Our expertise extends to creating fashion-forward, eco-friendly alternatives that cater to diverse market needs.

Our Product Offerings for the International Market:

- Fashion Jute Bags
- Bags for Food Packaging
- Corporate Gifts
- Home Furnishing
- Jute Handicrafts

We provide a one-stop solution for all Jute-related queries, ensuring our customers receive the best eco-friendly alternatives without compromising on style or functionality.
